David Reverter Valeiras

Doctor of Engineering - Front End Developer

ABOUT

After completing my PhD in Robotics and Computer Science, I introduced my love of music and sound into my practice. I'm attracted by the technical aspect of sound and music, since I see all of these as inextricably linked and also love the creative side of technology and programming. In the last few years, I have specialized myself in web development and worked as a full-stack engineer.

EDUCATION

PhD in Computer Science
Université Pierre et Marie Curie (Paris)

Master Degree in advanced Systems and Robotics
Université Pierre et Marie Curie (Paris)

Industrial Engineering, Specialty: Mechanics
E.T.S.E.I. de Vigo (Vigo)

Live Sound Technician
Centro de formación escénica de Andalucía

SKILLS

Programming languages:

TS Typescript
JS JavaScript
HTML
CSS
C++
Python

Tools:

Node.js
